Space & Naval Warfare Systems Center Awards Contract

CHARLESTON, S.C. — Unidyne Corporation of Norfolk is being awarded a \$5,048,101 Indefinite Quantity, Indefinite Delivery, Cost-Plus-Fixed-Fee type contract to provide services for engineering, technical, installation, manufacturing, and logistics of navigation systems and equipment for all Navy ships. These services primarily support Space and Naval Warfare Systems Center, Norfolk Navigation Department, Code 343. This contract contains one base year and four one-year option periods which if exercised, will bring the total cumulative value of the contract to the estimated amount of \$33,297,188. The contract will initially be obligated with Navy Working Capital non-expiring funds in the amount of \$50,000. This contract was competitively procured with 51 proposals solicited and three offers received. The Space and Naval Warfare Systems Center Charleston is the contracting activity (N65236-99-D-3812).
